Kanagawa Students Visit KU for 23rd Year

The students, six young men, are here for a specialized four-week program of intensive English study and cultural enrichment activities. They live in campus housing and attend AEC classes. The students have been enjoying many fun activities, including a square dance and “homestay” weekend with local families, trips to Topeka and Kansas City, and a Jayhawk basketball game. They will return to Japan on March 1st.

No Car? No Problem!

Many of you are familiar with the buses that run during the day from campus to various locations around town. But what should you do if you want to go someplace after the buses stop running? Fortunately both Lawrence Transit and KU offer options for you. Lawrence Transit offers the Nightline and KU offers Safe Bus and Safe Ride.

The Nightline is a bus that operates after the regular buses stop running. It operates from 8:00 p.m. to 6:00 a.m. You must call in advance to schedule your ride. For example, if you know you want to go downtown on Friday evening at 8:30, you can call and schedule the bus to pick you up and take you home. The fare is more expensive than the regular buses. It’s $2.00 per person each way. That means, if you ride downtown and back home again, the total cost would be $4.00. You should call to schedule your ride from 8:00 a.m. to 5:00 p.m. Monday to Friday. There is no Nightline service on Sundays.

KU offers the Safe Bus and Safe Ride. There are four Safe Bus lines. You can find a map of the lines at safebus.ku.edu/safebus-map. Safe Bus is free for all KU students. Other passengers can take Safe Bus only if they are with a KU student. It operates Thursday, Friday, and Saturday from 9:00 p.m. to 3:00 a.m. Safe Ride is a car system. If you live outside of the Safe Bus route, you can call Safe Ride. Safe Ride is for KU students ONLY. It is free for KU students. It operates from 10:30 p.m. to 2:30 a.m. every night of the week. You can call for a ride at 785-864-SAFE (7233). You can find more information at saferide.ku.edu.
